Belonging

Sarah loves to draw. She wants to make new friends but she's not sure who she can talk to. How can she ask to make a new friend?

Why do you think it's important to include everyone in your group?

My name is _____________.

Anthony loves swimming.

John loves playing the piano.

Luke loves playing sports.

Sara loves reading books.

I love to draw.
10+ Posters!

I show **Respect** When I...
1. make sure everyone is heard.
2. wait for my turn.
3. am patient while waiting.
4. do not interrupt.
5. am helpful.

I show **Honesty** When I...
1. keep my personal belongings to myself.
2. keep my work to myself.
3. think about safety.
4. never tell lies.
5. tell the truth.

I show **Inclusion** When I...
1. happily work in a group.
2. include others in my group.
3. participate.
4. show my ideas.
5. show attitude.
Two crafts!

Responsibility Pledge – Hand Craft

This craft is a great way to reinforce responsibility and teach that it’s important to complete chores in a day and be helpful to others.

Instructions: There are several ways you could do this craft. You could print this out on card stock colored paper and have the children write things like “I pledge to keep my classroom and my room clean,” “I pledge to be nice to others,” etc. Even if they write down a few words as long as they understand what pledge and taking responsibility is.

Another way to do this and make it more authentically is to get the students to trace over their own hands and then make the cut-out. Of course this would be easier for older students maybe throughout grades 2+.

You could finally string the hands together using a normal string to show that the class is “united” and hang it on the door or across the classroom throughout the year as a reminder.

Another way is to hang each hand print on the door has been colored and decorated.

Kindness “Pay It Forward” – Activity

This activity is a great way to teach kids how to practice random acts of kindness every day.

There are several ways to complete this activity. Create a small box (you could create several of these and hand them out to other classes as the first random acts of kindness).

Here’s a link to a great activity:

Sandwich Box Monsters

After this, students will work in pairs and write down acts of kindness that they have completed that day. Then place it in the Sandwich box...

1. Fill a glass with your favorite drink and write a “thank you” note to a teacher or paraprofessional.
2. Go to the playground classmate's class and write a note thanking them for being a good friend.
3. Help a bus driver.
4. Help your mom prepare dinner and then you your lunch.
5. Write a note to your grandma/grandpa telling them how special they are to you.
6. Do your good morning and good night to your classmates and your school teacher.
7. Do your homework silently and on time each day for a week.
8. Give someone a compliment at least once each day for a week.
